

The Big Fish Triathlon Coalition is excited to announce our **9th Annual Big Fish Triathlon**, to be held on **Saturday, June 18th, 2022**, at **Mayville Lakeside Park**.

All proceeds from this 501c3 charitable organization are dedicated to support Camp Onyahsa's week of camping for children with Type 1 diabetes. During their stay, children get to enjoy all the camps fun traditional activities, in addition to enhanced health care from a specialized team of nurses, pharmacists, pump experts and counselors who provide supervision and allow the parents one week out of the year to relax with the knowledge that their children are in a safe environment away from home.

The Triathlon Coalition that hosts the race is all volunteered and has worked to build a network of community support to provide the athletes with a top quality, nationally sanctioned event that gives local and visiting triathletes a challenging event while enjoying the natural beauty of our community. For their entry fee, athletes receive a wide assortment of locally made products, prizes, and awards to commemorate their efforts.

Sponsors please get on board early as we generate excitement to bring the 9th Annual Big Fish Triathlon to Chautauqua Lake. We value our sponsors; it is what makes an event successful in providing the foundation to bring together business and community and deliver a quality event that promotes a healthy lifestyle.
